What Our Guests Think

Great Boat, Great Crew, Great Boat, Fishing better than Easter [I caught more fish] will be back soon for more fishing. Peter S.

Lets start with the fishing, apart from catching the best coral trout, I could and should have done a bloody lots EH? Apart from that it was GREAT. You are all the best ever. Next time I won't be eating in between meals. That should give me a chance to get hungry. Thank you all. Mr Mango.

Great boat, Friendly crew, Awesome fishing had the best time. Bobby.

Food excellent, all staff very helpful, great boat, thanks to all for the experience. Peter.

I have one complaint, I was fed too well, I couldn't get drunk, but the food was great. Mick
