## **CORPORATE OR CONFERENCES CHARTERS:**

**Centurion Cruises can offer your business the perfect venue for your next conference or corporate function. It is an ideal relaxed setting that can allow you to not only do some great fishing but also allows you to conduct meetings or product launches, or even as a reward for staff/clients.**

**If fishing is not your idea, then we can also offer island cruises and include snorkeling or even scuba diving. With Centurion the options are many and varied and all experiences can be catered to your needs.**

## **PRODUCT LAUNCHES:**

**Why not use Centurion to launch a new idea or product, to your staff or clients. What better way to do it than in a relax friendly environment that is conducive to a new approach.**

## **WEDDING / PARTIES:**

**Centurion can offer a intimate venue for your special occasions.**

**We can do day charters or even cater for small groups over night, talk to us about your needs and we will help you make it work.**
